.....

- 1) The buyer pays the return shipping costs.
- 2) Spare parts must not have fuel or oil in them and must be secured against leaking liquids (plastic bags).
- 3) Parts must not have any missing parts (sensors, valves, etc.) & must not have any external mechanical damage.
- 4) The deposit for the old part will be refunded using the same payment method. It is not necessary to provide your paypal address or bank details.
- 5) Please note that we no longer accept old parts from the 6th month after purchase.
